

Primary Two Parent Information

In Numeracy we will be learning to....

- Add and subtract and record our answers as pictures and number stories.
- Learn double numbers.
- Learn to recognise and identify some three dimensional shapes.

In Literacy we will be learning to....

- Write our first and surnames correctly.
- Continue to blend sounds to form words in reading and writing.
- Show our understanding of the content of a story through comprehension activities.

In our topic this term will be...

- Learning about magnetism and making our own games.

We will also be having fun celebrating special days
i.e. Christmas!

Ways to help at home:

Read and discuss any books that you share together.

Regular spelling practice.

Play counting and number games.

Have fun with magnets!
