

Primary 4 Overview
Term 2 October-December

This term our topic is based around other world religions. We will explore stories from other religions and their key beliefs. Explore places and artefacts of world religions to develop key values of those faiths and how they might be put into action in people's lives and communities. We will also explore music and dance from other cultures and have fun creating art work using styles of other cultures.

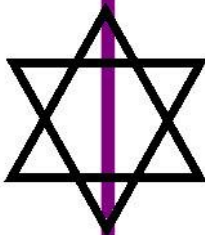

Language- our writing will examine elements which writers use in different genres. We will use novels as quality models to improve our own writing.

We will continue to work through a cycle covering all areas of numeracy termly. This will include understanding of number, addition, subtraction, division, multiplication, measure, shape, data handling and money.

How you can help.

Talk to me about our own beliefs so that I may share my thoughts with others. Help me to understand the importance of respecting the culture and beliefs of others. Encourage your child to read and discuss a variety of novels.
